Radiant
POOLS®

Radiant Pools has done it again!

The industry leader in innovation in swimming pool design introduces their all new **Inside Step for Metric Series Aboveground Pools!** This exclusive Geofoam liner over step adds a whole new dimension to your pool by providing a great gathering area for conversation and relaxation.

The New Radiant Inside Step offers:

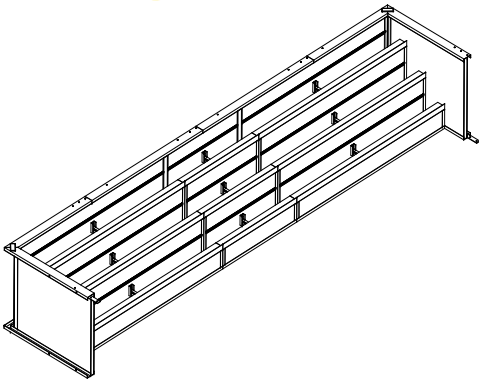

- More Seating area than normally available in an aboveground pool - perfect for loungers and little ones alike! Benches and ledges are also available.
- Provides easy access into and out of your above ground pool that you can only get with a Radiant Metric Series Pool.
- Covered with a heavy duty slip resistant textured liner for safety.
- Seamless design creates an inground look in your Radiant Metric aboveground pool!
